1. I will do all that remains to be done, for all that remains to be done is in My hand, My hands. All things that are to be done are in My hands. I Am. I am Me and I come and I call and I confirm. I confirm My meetings of Me, this meeting of Me, My meeting and Me, My meeting there. I Am. I am I Am. You are I Am and I am I Am-ing My people, you and all that will let Me, for Me to come through in power, might, grace and glory, tenderness, compassion, empathy when right, sympathy at times, action always, knowing what I am doing, what I am saying, how I am doing it, how I am saying, how I am bringing about Me and My will of the Father, My Father, your Father, our Father, one.
2. You are Me, I am you. I come forth, I come forth through you now, and I come forth in all things remaining that need to be done to show Me, My design, My kingdom fully, fully-ize, fullness-ized, fully displaying Me, Me and My people, My priesthood of all believers, Melchizedek of only Me. I am Melchizedek, King of Salem, I am Me. You are you, walk in My Melchizedek priesthood of all believers, My priesthood of all believers Melchizedek'd, Melchizedek'd for only Me.
3. In the loins of Melchizedek you were, you are, one. One with Me, one-ing My people, one you all, one; one with Me, in the fullness of time that now is. I love you. I give you Me.
4. I make all things complete now, replete, showing forth My fullness. Dining at My table you are, savoring all of Me you desire, roasted red peppers- snippets of only Me, snippets from My garden, My garden, My Garden of Eden which still exists which you come to, which you come and walk in, which you come and kneel in, which you come in to, your temple not made with hands, and walk with Me in My kingdom even in your kingdom.
5. My kingdom exists in you, walking through it you are with Me, you who dine with Me, walk with Me in the cool of the day. I love you. Hot not are your hands, nor Mine. I love you. In the coolness of the day and the brightness of the morning and the light of the night, I love you and I give you Me, bringing forth My delicacies, bringing forth My designs fully realized now, in My design, fully realized in you, embraced in the work of My hands, shown in the work of My hands, the stars, My handiwork, My earth, My solar systems, My interstellar connections of only Me, My blood, My Cross, My Son, My Father all--one. I love you. Fully displaying Me you are, you will more and more, walking as I complete My design, My design made forth, made fully known, spoken forth, revealed of only Me in the fullness of time, today.

6. In that day? Today! These are the times, this is the time. Now, today, yes, your message is TODAY! Yes, this is the day. This is the time and you are now replete as you desire, depending on your time to savor only Me.
7. I come and I call and I make all things new and I am revealing Me as never before. Read My words. Read My words. Read My lips. See My eyes. Feel My hands, My love, My side. I come. I make all things new.
8. You are now you and Me, Me and you you are, others thank you. Powerful power comes, increases, flows, the River of Life never stops, never stops. Now Ted, River of Truth, pure water, purified in My veins, My heart, My side, My River of Life, My River of Truth, all possibility, All Possibility, you. I love you. Go, joy, go forth, be Me, meetings enjoy. Architects come and join Me, My presence Me'd, My Me'd. I love you.
Good Day
